Dr. Takashima:

We received the e-mail below from Ray Wheatley regarding the transfer of the UTSD:0769 patent files in which you are a named inventor. I discussed the matter with Mr. Wheatley, and provided you are in agreement we can transfer the second group of related files (UTSD:0600) to the same attorney and law firm. I believe this that this would allow for better coordination of the all the files and be more cost effective. If you agree to have the UTSD-0600 series transferred simultaneously, please provide your written instructions by simply replying to this e-mail saying "Agreed to" and we will begin the transfer process at no cost to you.

Thank you for your cooperation in this matter.
